DEBRA P. HACKETT, CLERK  
U.S. DISTRICT COURT  
MIDDLE DISTRICT ALA

Motion For Extension Of Time

Comes now the Plaintiff, James Hest, and moves the Court for an additional 14 days in which to file his response to Defendant's answer.

Hest makes this request due to the following:

- (1) Limited access to law library facilities (2 days per week)
- (2) Limited number allowed in law library (10)
- (3) Number of inmates 1,072
- (4) Number of photocopies allowed for exhibits (no provision for copying)

With all due respect to the Honorable Court and all concerned, the facilities at Limestone Prison provided for access to legal materials is grossly inadequate. The law library is so small only ten (10) individuals at any given time are allowed in the law library. There is no provision for seating accommodations where you can sit down and make case notes or read. I am forced to stand with the books and try to make notes from the cases.

Wherefore, premises considered, Hest prays the Court grant the additional time in which to file his response in this cause.

Respectfully submitted,  
James R. Hest, Jr.
